Some of our most popular programs...

Wizards & Wonders

Innovative program using story elements from the popular **Harry Potter** books to teach

God's timeless truths. It invites children and adults alike into the quest for the destiny to which God calls us. Participants will explore issues of identity, belonging, teamwork, temptations, spiritual gifts, courage, moral choices and faith.

Mixing a potion

Includes handouts, activities, suggestions for creating a wizardly environment, story lines for actors playing various characters, Biblical stories and theological perspectives.

5 sessions (2-2½ hours) \$59.95

Wild Willy & The Prodigal Son

A new 2009 resource based on the children's book **Charlie and the Chocolate Factory** by Roald Dahl and using clips from the 1971 movie **Willy Wonka and the Chocolate Factory** starring Gene Wilder as Willy Wonka. Each session focuses on a character: Augustus Gloop, Veruca Salt, Violet Beauregarde, Mike TeeVee and our hero, Charlie Bucket. The traits of that character are examined and then compared to the well-known parable of the Prodigal Son & the Forgiving Father.

This resource was originally conceived as a five-week series to be used as a children's mid-week program during Lent, but after a popular write-up in *Episcopal Teacher*, it became our best selling VBS for 2009.

Dare to Be Different!

At General Convention 2009, we are proud to introduce yet another stellar children's program. *Dare to be Different* is a magical journey, using the book **A Wrinkle in Time**, by beloved Episcopal author Madeleine L'Engle.

The story follows Meg Murry (along with her younger brother, Charles Wallace and friend, Calvin O'Keefe) as she embarks on a journey through time and space to save her father. On the journey, we also meet Mrs. Whatsit, Mrs. Which, Mrs. Who, Aunt Beast and other out-of-this-world beings.

Through games, crafts and other adventures, we learn about our spiritual gifts, how our differences make us special, and we affirm the power of love, courage and self-sacrifice.

Pilgrimage

Pilgrimage: Seeking the Kingdom of God recreates life in the Middle Ages and explores the lives of five saints. Using role play, discovery and imagination, you'll visit five pilgrimage sites associated with these saints. Master Craftsmen & Journeymen lead participants through activities in Medieval guilds and street fairs.

Over 300 pages of easy-to-use lesson plans, drawings of every craft item, detailed instructions and piano music for original songs all included.
